

FREE TRAINING

**A leadership
program focused on
preventing violence**

MATE

EMPOWERING COMMUNITIES
PREVENTING VIOLENCE

This training empowers participants with the tools to feel confident to challenge attitudes, beliefs and behaviours that normalise gender based violence

Learn about:

- ➔ The importance of leaders in preventing violence
- ➔ The bystander approach
- ➔ Why gender equality is vital to prevent men's violence against women

Training Goal:

To motivate and inspire participants to be proactive bystanders

Sessions are tailored to suit your organisation or group (min. 2 hours)
